

NATIONAL PRODUCTIVITY COUNCIL (NPC)

OFFICER PROFILE / CURRICULUM VITAE

1. BASIC INFORMATION

Name	Anupam Saini	
Designation	Assistant Director	
Group / Division	International Services Group & Environment & Climate Action Group	
Regional / Branch Office	Headquarters, New Delhi	
Official Email	anupam.saini@npcindia.gov.in	
Official Contact No.	+91-11-24607312	
Discipline / Specialization	Environmental Engineering & Management; Climate Action; Environmental Governance; International Cooperation	

2. AREAS OF EXPERTISE

- Environmental Engineering, Environmental Management, Climate Action & Sustainability
- Environmental Governance, Environmental Audit & Compliance
- International Cooperation, APO Liaison, Programme & Project Management
- Environmental Consultancy, Waste Management, Resource Efficiency & Circular Economy

3. PROFESSIONAL SUMMARY

Environmental and climate professional with a multidisciplinary background in Civil Engineering and Environmental Engineering & Management, currently serving as Assistant Director at the National Productivity Council, Government of India. Works across the International Services Group and Environment & Climate Action Group, with substantial responsibility for APO-related international programmes and environmental assignments. Holds an M.Tech from IIT Delhi, has research experience at TU Delft, Netherlands, and achieved GATE Environmental Science & Engineering AIR 35 (2021) and AIR 24 (2023).

4. EDUCATIONAL QUALIFICATION

Qualification	Specialization Subject	/ Institution / University	Year	Remarks
M.Tech	Environmental Engineering Management	& Indian Institute of Technology Delhi	2021–2023	Postgraduate specialization
B.Tech	Civil Engineering	Punjab Engineering College, Chandigarh	2016–2020	Engineering degree

5. PROFESSIONAL EXPERIENCE

Organization	Designation	Period	Key Responsibilities	Key Achievements
National Productivity Council, Government of India	Assistant Director	Apr 2024–Present	International Services: APO liaison; international programmes; nominations; government/institutional coordination; delegates; travel and hospitality; meetings/events; proposals; e-office; budgeting; procurement/vendor coordination; presentations and reports. Environment & Climate Action: environmental governance; EADA-related work; environmental consultancy; climate, waste, plastics and resource-efficiency projects.	Handling of substantial International Services workflows; delivery of environmental consultancy and climate assignments; coordination of major international programmes and APO Governing Body activities; international presentation at BAQ 2026.
Airports Authority of India (AAI)	Air Traffic Control Professional	Earlier career	Worked in a high-responsibility, safety-critical operational environment requiring situational awareness, procedural compliance, disciplined communication and coordination under time-sensitive conditions.	Developed operational discipline, decision-making, accountability and performance under pressure.

6. KEY PROJECTS / ASSIGNMENTS

Project / Assignment	Role / Responsibility	Duration	Outcome / Impact
Japan–India JCM Feasibility Study	Contribute/coordinate on the feasibility study for rice-straw-based solid fuel production; liaise with Japanese counterparts and stakeholders.	Ongoing	Exposure to JCM, biomass utilization, resource efficiency, decarbonization and international climate cooperation.
Study of Material Recovery Facility, Indore	End-to-end execution including field study, 5-day sampling, waste characterization, analysis, process assessment, stakeholder interaction and final report.	2024	Professional consultancy study of a 30 MT/hour MRF; final report with findings, conclusions and recommendations.

UNEP–NPC SUP Assessment, Vadodara	Worked on Vadodara component involving field assessment, baseline information, stakeholder interaction, analysis and deliverables.	2024–2025	City-level assessment of single-use plastic implementation and availability of alternatives within a four-city UNEP-supported study.
Environment Audit Designated Agency (EADA)	Contribute to environmental governance, audit-related processes, certification/registration, capacity-building and digital/institutional activities.	Ongoing	Exposure to implementation of an environmental-audit framework and related institutional systems.
ClimateNXT 2025 – World Environment Day Summit	Contributed to coordination and execution with NPC, APO, UNEP, UNIDO, PHDCCI and other stakeholders.	2025	Cross-sector summit on plastic pollution and climate innovation with 100+ delegates.
APO National Award 2025	Independently coordinated the Indian-side award process, meetings, communications, nominations-related activities and documentation.	2025	Process culminated during the APO Governing Body programme in New Delhi, with awards presented by the Hon'ble Union Minister for Commerce & Industry.
12th Better Air Quality (BAQ) Conference	International speaker/presenter for the India Case under the session on financing modalities for clean air.	2026	Presented the India/JCM case at an international environmental forum in Bangkok.

7. TRAINING / CERTIFICATIONS

Training / Certification	Institution / Issuing Body	Year	Remarks
Lead Verifier Training – Greenhouse Gas Accounting	Bureau Veritas Industrial Services India Pvt. Ltd.	2026	Successfully completed course assessment; based on ISO 14064-1, ISO 14064-2 & ISO 14064-3; course held 17–21 Aug 2026.

8. PUBLICATIONS / PAPERS / PRESENTATIONS

- International Presentation: "India Case" - 12th Better Air Quality (BAQ) Conference 2026, Bangkok; session on Financing Modalities for Clean Air: Pathways to Scale Innovations and Solutions.

9. AWARDS / RECOGNITIONS

- GATE Environmental Science & Engineering - All India Rank 24 (2023).
- GATE Environmental Science & Engineering - All India Rank 35 (2021).

10. OTHER RELEVANT INFORMATION

International / Multilateral Exposure: Asian Productivity Organization (APO), Asian Development Bank / Development Asia ecosystem, UNEP, UNIDO, Japan–India cooperation and TU Delft, Netherlands; professional environmental presentation in Bangkok.

Technical & Languages: Python, R, MATLAB, ArcGIS, WaterGEMS, SewerGEMS, AutoCAD, Microsoft Office; English, Hindi and Punjabi.

Declaration: I hereby declare that the details furnished above are true and complete to the best of my knowledge and belief.
