(Under Ministry of Commerce & Industry, Government of India)

ANNOUNCES RESIDENTIAL TRAINING PROGRAMME ON

“Systematic Problem Solving, Conflict Resolution and Change Management”

From 17th to 21st December 2018
at Goa

INTRODUCTION

Systematic Problem Solving, Conflict Resolution and Change Management are the fundamentals to any manager or executive's work accomplishment. Increasing complexities of the work environment are forcing executives and managers to cope up with newer and difficult situations. Yesterday's solutions and ad-hoc decisions are not likely to deliver the desired results. Existing knowledge base is not likely to be of any help in taking advantage of the arising opportunities.

This necessitates the executives/managers/officers to be equipped with the appropriate skills and techniques of problem identification, definition, identifying the best solution and implementation. Systematic Problem Solving, Conflict Resolution and Change Management help in these stages while taking a holistic view of the situation. Use of change management is a fresh approach which is required to be made part of the organisational decision making process. This program helps in improving the quality of decision making in the organization leading to increased organisational effectiveness.
