(Under Ministry of Commerce & Industry, Government of India)

ANNOUNCES RESIDENTIAL TRAINING PROGRAMME ON

“Systematic Problem Solving, Conflict Resolution and Change Management”

From 11th - 15th March 2019
at Port Blair

Univya Offset, Gandhinagar, M. 99256 15662

INTRODUCTION

Systematic Problem Solving, Conflict Resolution and Change Management are the fundamentals to any manager or executive's work accomplishment. Increasing complexities of work environment are forcing executives and managers to cope up with newer and difficult situations. Yesterday's solutions and ad-hoc decisions are not likely to deliver the desired results. Existing knowledge base is not likely to be of any help in taking advantage of the arising opportunities.

This necessitates the executives / managers / officers to be equipped with appropriate skills and techniques of problem identification, definition, identifying best solution and implementation. Systematic Problem Solving, Conflict Resolution and Change Management helps in these stages while taking a holistic view of the situation. Use of change management is a fresh approach which is required to be made part of the organisational decision making process. This program helps in improving the quality of decision making in the organisation leading to increased organisational effectiveness.
