

E-Learning Course Title: EDP Series Emerging Economies & Entrepreneurship

Registration Fee (including GST):-1500/-

About eLearning Program: - This course provides an overview of the course Emerging Economies & Entrepreneurship

E-Learning Course Coverage: - This course is covered in 3 modules. Each module systematically takes us through the various concepts of Emerging Economies and the relevance of Entrepreneurship and its impact on these economies.

The course follows an interdisciplinary approach to understanding and solving complex social problems. You will learn about prior attempts to address these problems, identify points of opportunity for smart entrepreneurial efforts, and also learn to develop your own solutions to such problems. The primary outcomes of this course are expected to be:

- An awareness of the opportunities for entrepreneurship in fast-growing emerging markets
- An understanding of a conceptual framework for evaluating such opportunities
