STUDENTS INTERNSHIP PROGRAM

Number of Vacancies: 2

National Productivity Council (NPC) is an apex organization to generate productivity awareness and consciousness across the country. It mentors and supports organizations to improve their triple bottom line – economic, environmental and social outputs and outcomes, through generation and application of advanced knowledge. NPC provides unrivalled holistic solutions for improving productivity and competitiveness through a slew of services viz. consultancy, training for capacity building, action research, Evaluation Studies etc. customized to suit the client's needs.

NPC provides internship training to students pursuing graduation and post-graduation studies twice every year depending upon suitability & availability of the slots.

OBJECTIVE OF THE INTERNSHIP PROGRAMME:

The students get hands on experience while working on ongoing projects and they are empanelled through a rigorous selection process.

The intern will be involved in various MSME Competitive Lean Scheme initiatives and coordination activities. This opportunity will provide practical exposure to core Industrial Engineering domains, lean tools and techniques, and diverse Industrial Engineering work environments. Interns will gain hands-on experience in implementing lean methodologies, coordinating technical projects, and applying various IE tools and techniques— enabling them to apply classroom learning to real-world industrial engineering practices and MSME competitiveness enhancement strategies.
