About National Productivity Council:

National Productivity Council (NPC) is a national level organization promoting productivity culture in India. Established as a registered society by Government of India, NPC is functioning under Ministry of Commerce & Industry, Govt. of India. It is an autonomous, tripartite, non-profit organization having equal representation from government, employer and worker organizations and from technical and professional institutions on its Governing Council. NPC provides consultancy and training and undertakes research in the areas of productivity besides implementing productivity promotion programmes of the Tokyo based Asian Productivity Organisation (APO), an inter-governmental body where NPC represents Government of India as a founder member.

NPC and KMC new initiative:

NPC as a part of its new initiative is exploring to contribute in the Education Sector and accordingly is entering into collaborations/MoUs to further explore the mutually beneficial opportunities in the Educational Institutes, Engineering Colleges, Management Colleges and different Universities across different subject areas/domains.

Under this initiative different collaborative work areas are being identified to impart practical hands on experience & equipping the Graduate/PG Students on new concepts/tools/techniques with employable competencies & capabilities, wherein they become industry ready for taking up jobs as well as enter into businesses in variety of new technologies, products, services in the domestic markets.

Supporting the vision of "Making New India" with a strong Government-Industry interface, NPC is aiming to focus on Customized Trainings /Capacity Building Programs, Promoting Entrepreneurial activities, setting up **"Entrepreneurship Development Cell"** at NPC to impart the information pertaining to Starting up own business, counselling & guidance and Entrepreneurship Development Training Programs, to start their new startup/ventures/businesses/industry, etc. Since, ultimately the students today will be either an employer or an employee who may play a vital role in the growth of Indian Economy.
