

NATIONAL PRODUCTIVITY COUNCIL

(Under Department of Industrial Policy & Promotion Ministry of Commerce & Industry, Govt. of India)

Registration of Individual Certified Energy Auditors/ Energy Auditing Firms with Energy Management Group

National Productivity Council (NPC), India has been the pioneer in the field of Energy Conservation and Management in India, since early seventies, till date. NPC has spear headed the energy conservation and Energy efficiency movement in the region. NPC EM Group provides unrivalled holistic solutions for improving energy efficiency through consultancy services, training for capacity building, evaluation studies etc. Over the years Energy Management Division has carried out host of Energy Audit and Conservation studies in many energy intensive industries, identifying the efficiency gaps and providing technical and professional guidance to the industry during implementation stages. Further, the division has also carried out many M & V studies, Action plan developments, scoping studies in varied areas so as to help Policy Development by Government Departments and Agencies.

In order to scale up its operations and ensure effective delivery of its services, NPC Energy Management Group wants to engage domain experts & acclaimed trainers (Individual Certified Energy Auditors/ Energy Auditing Firms) who may be offered contractual engagement on project/ program basis depending upon the requirement. However, this registration does not guarantee any type of legal engagement with NPC.

NPC would issue a letter of registration based on the documents provided and/or face to face interactions. Registration would be applicable for one year.
