

## Empanelment of National & International Consultants/Consulting Companies/Solution Providers

Industry 4.0 or the fourth industrial revolution as it is called, is emerging globally as a powerful force and is being touted as the next industrial revolution. To cater to the emerging trends, NPC in association with Asian Productivity Organization (APO) has established “**Centre of Excellence on IT for Industry 4.0 (CoE: IT for I4.0)**” at NPC, New Delhi. The Centre of Excellence (CoE) is envisioned to function as a channel for enhancing competitiveness of the Manufacturing Sector by inculcating I4.0 features to make Industry/MSMEs future-ready and digitally productive.

NPC is looking to enroll and empanel **National & International Consultants/Consulting Companies/Solution Providers** who are pioneers in the field of Industry 4.0 and related IT technologies.

For Empanelment please visit the link: [https://www.npcindia.gov.in/NPC/User/Notification\\_Circulars](https://www.npcindia.gov.in/NPC/User/Notification_Circulars)

### EXPECTED OUTCOMES/BENEFITS OF THE ENGAGEMENT

**The published database of National & International Consultants/Consulting Companies/Solution Providers on IT for I4.0 will lead to the following outcome/benefits:**

- Potential business opportunities as Technical Experts in India as well as to APO member countries.
- Creation of a robust pool of technology pioneers working on the latest concepts/technology related to Industry 4.0.
- The lists of Consultants/Consulting Companies/Solution Providers will be shared on the NPC Portal for enhanced visibility and potential outreach to the Industry/MSMEs.
