

Registration of Consulting Firms/ Professionals with National Productivity Council; water audit service

National Productivity Council (NPC), India has been the pioneer in the field of Energy Conservation and Environment Management, since early seventies, till date. NPC provides unrivalled holistic solutions through consultancy services, capacity building, evaluation studies, research etc. For more details, please visit www.npcindia.gov.in.

In order to scale up its water audit operations and ensure effective delivery of its services, NPC plans to register consulting firms/professionals who are engaged in water audits services.

For Registration, please visit the link:

https://www.npcindia.gov.in/NPC/User/Notification_Circulars

NPC would issue a letter of registration based on the documents provided and/or face to face interactions. Registration would be applicable for one year.

Registration Fees:

- The applicant(s) Consulting Firms are required to pay a registration fees of Rs 500/- and professionals Rs. 300/- (inclusive of applicable taxes) towards the registration with NPC.

Payment Terms & Conditions:

- Registration fees has to paid through the E- Payment Gateway mentioned at NPC website (www.npcindia.gov.in)
- The registration of the Firms/ professionals shall be confirmed only after receipt of the one-time nonrefundable registration fees and based on their application.
- The Registration fees once paid will not be refunded under any circumstances.
- NPC reserves the rights to cancel/ reject the registration application without assigning any reasons thereof and in such cases, registration fee will be refunded.
- The above stated registration, however, does not guarantee any type of assurance of work.

Note: Energy audit firms which are already registered with NPC need not apply for the above.
