1. ABOUT NPC

National Productivity Council (NPC) is an autonomous organization under the Department of Promotion of Industry and Internal Trade, Ministry of Commerce & Industry, Government of India. The present expertise available in NPC has a resource base of professionals from fields such as Economics, Industrial Engineering, Human Resource Management, Energy, Environment, IT, Project Monitoring and Evaluation, Research Studies and Baseline Surveys. In addition, services of external professionals and subject matter specialists are also sought on need basis, depending upon the nature and scope of work. NPC extends services from its headquarter at New Delhi and 12 regional offices across the country manned by more than 100 full time professionals. NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organisations including Central Government Ministries and State Governments.

2. PROGRAMME THEME

The symbiotic relationship between leadership and teamwork can hardly be overemphasized. In an increasingly knowledge - intensive world, the most competent leader could be staring at the face of failure if the team that is led fail is to measure up to the leader's objectives and get derailed. Indeed, teams can be rudderless without effective and wise leadership. There has been significant debate as to the styles and characteristics of leadership that engender optimal team performance. Similarly, the constituents of teams that are remarkably effective have been studied and emulated. Obviously, leadership and teamwork cannot exist without each other. They have to be balanced, coordinated, and synergized for optimal organizational performance towards successful outcomes.

3. LEARNING OBJECTIVES

This programme has been designed to explore and propose the best practices that would enable an optimal balancing of leadership and teamwork towards successful outcomes in a competitive environment. Further, the programme will help participants identify their own leadership styles and develop a paradigm for them to achieve performance requirements.
