

## National Productivity Council

A large, colorful infographic centered around a globe, illustrating various aspects of Environmental, Social, and Governance (ESG) sustainability. It includes icons for urban development, agriculture, renewable energy, and social welfare, all connected by a circular path.

# Training Programme On Environmental Social and Governance (ESG) For Sustainability PROGRAMME CODE: (T2425ECA08)

13th - 17th January 2025  
Port Blair, Andaman & Nicobar

## **1. ABOUT NPC**

National Productivity Council (NPC) is an autonomous organization under the Department of Promotion of Industry and Internal Trade, Ministry of commerce & Industry, Government of India. The present expertise available in NPC has a resource base of professionals from fields such as Economics, Industrial Engineering, Human Resource Management, Energy, Environment, IT, Project Monitoring and Evaluation, Research Studies, and Baseline Surveys. In addition, the services of external professionals and subject matter specialists are also sought on a need basis, depending upon the nature and scope of work. NPC extends services from its headquarters in New Delhi and 12 regional offices across the country manned by more than 100 full-time professionals. NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organisations including Central Government Ministries and State Governments.

## **2. PROGRAMME THEME**

Sustainability is fast becoming a key priority for corporate around the world, both linked to their company branding strategy as well as expectations of their shareholders. ESG are a set of environmental, social and governance topics, which is a quantifiable assessment of sustainability. India has introduced new environment, social, and governance (ESG) reporting requirements for the top 1,000 listed companies in the country by market capitalization. Hence, the purpose of this program is to sensitize participants on the aspects of Sustainability and Business Responsibility and Sustainability Report (BRSR).

Environmental issues may include corporate climate policies, energy use, waste, pollution, natural resource conservation, and treatment of animals. ESG considerations can also help evaluate any environmental risks a company might face and how the company is managing those risks. Consideration may include direct and indirect greenhouse gas emissions, management of toxic waste, and compliance with environmental regulations.

For measuring, monitoring and disclosing performance in areas related to ESG, Securities and Exchange Board of India (SEBI) has mandated the sustainability disclosure requirements vide its circular no 18/2021, dated 10<sup>th</sup> May 2021. Under this Business Responsibility and Sustainability Reporting (BRSR) shall be applicable to the top 1000 listed entities (by Market Capitalization) from FY 2022-23. The BRSR framework has been revised with Core KPIs and glide path for BRSR Core reasonable assurance as per SEBI circular dated 12 July 2023.
