1. ABOUT NPC

National Productivity Council (NPC) is an autonomous organization under the Department of Promotion of Industry and Internal Trade, Ministry of Commerce & Industry, Government of India. The present expertise available in NPC has a resource base of professionals from fields such as Economics, Industrial Engineering, Human Resource Management, Energy, Environment, IT, Project Monitoring and Evaluation, Research Studies and Baseline Surveys. In addition, services of external professionals and subject matter specialists are also sought on need basis, depending upon the nature and scope of work. NPC extends services from its headquarter at New Delhi and 12 regional offices across the country manned by more than 100 full time professionals. NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organisations including Central Government Ministries and State Governments.

2. PROGRAMME THEME

An immense number of studies demonstrate that effective procurement system and methodology followed by a well fabricated systematic inventory management system takes the organisation to meet its macro-objective of its effective production and cost-effective process. Public Procurement is now recognized as a strategic tool for achieving developmental, social and environmental objectives of governments, rather than using it as a tool for mere compliance with rules and regulation. Since public funds are being spent on public procurement for which specific rules and procedures have been framed therefore, the executives, officers and staff engaged in public procurement have thorough knowledge of all the relevant rules, regulations and procedures of public procurement.

Contracts serve as the backbone of government operations, influencing the efficient allocation of public funds and resources. Effective contracts management within government organizations is paramount to ensuring transparency, accountability, and the responsible use of taxpayer assets.

National Productivity Council (NPC) Training programme has been designed to inculcate the importance of Public Procurement & Contracts Management by updating skills, knowledge on best practices needed to effectively manage procurements and contracts in the public sector environment within the organization and shall emphasize on various aspects of managing financial resources more productively in improving managerial effectiveness and performance..
