# Residential Training Program on Shaping India's Corporate Landscape with ESG Sustainability

**27<sup>th</sup> to 31<sup>st</sup> October 2025  
(Kodaikanal)**

**Program Code: T2526HYD04**

**Last Day for Receiving Nomination  
21<sup>st</sup> October 2025**

## Program Theme

- Sustainability is a growing priority for corporates worldwide, tied to branding and shareholder expectations, with ESG (Environmental, Social, and Governance) providing a quantifiable assessment of sustainability.
- India mandates new ESG reporting for the top 1,000 listed companies, focusing on environmental policies, energy use, waste management, pollution, and resource conservation.
- The program aims to educate participants on Sustainability and Business Responsibility and Sustainability Reporting (BRSR).
- ESG considerations help evaluate environmental risks, including greenhouse gas emissions, toxic waste management, and compliance with environmental regulations.

**NATIONAL  
PRODUCTIVITY  
COUNCIL**
