1. ABOUT NPC

National Productivity Council (NPC) under Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Govt of India is a premier organization in areas of productivity research, training, and consultancy services in India. It has an expertise resource base of professionals from fields such as Agriculture, Economics, Industrial Engineering, Human Resource Management, Training, Energy, Environment, IT, Project Monitoring and Evaluation, and Research NPC extends services from its headquarter at New Delhi and 12 regional offices across the country manned by more than 150 full time professionals. NPC is undertaking a national level productivity capacity/awareness programme as an integral part of its activities and is also taking up programmes for work-culture improvement in various sectors including public administration, governance, service and infrastructure sector.

2. PROGRAMME THEME

Organisation cannot do business with yesterday's methods and be in business tomorrow. Having the technical skills to get the job done isn't enough to be an effective leader. When a manager lacks the important people management skills, a team may suffer low morale and a lack of motivation. The patterns keep changing as the situation with the types of organisation and people. Hence, Manager has to achieve results so that people will continue to contribute to the organisation. And that's why leadership and managerial skill sets are extremely important part of the organization to perform their efficiently and effectively. NPC has designed a condensed course on "Leadership Development Programme for Organisational Productivity Enhancement" to upgrade knowledge and skill sets of the officials from different organizations.

3. LEARNING OBJECTIVES

The objective of the training programme is to impart knowledge and sharpen the skills of participants so that they can perform better in their roles as leaders based on the situation. It is also aimed to equip the participants with understanding of group behaviours and how a cohesive team could be built. The rationale behind this endeavour is to enable the participants understand how performing good teams can be built for better performing organisations.
