

# Virtual Webinar on EMPOWERING YOUR TEAM

## Webinar Title: **EMPOWERING YOUR TEAM**

Expert Speaker – **Praveen Kumar Samantara**

**About Webinar:** - An organization needs strong leadership that guides and moulds the workforce and unites them under a common set of goals. Leaders need to define a clear strategy that translates into an efficient management of resources and stakeholders, as well as develop effective processes to create and produce products and services that please customers. Creating and sustaining a culture of excellence must be a top-down process. An organization's leaders are the only persons who can effectively motivate and inspire employees towards a vision of organizational excellence.

**Webinar Coverage:-**The coverage will be understanding world class leadership and different aspect of team management.

**Speaker Profile:** - Praveen Kumar Samantara is as industrial engineering and Management Consultant. He is basically an HR expert, with additional skill of implementation of industrial engineer and IT. Over all has 10+years of experiences in service and manufacturing sector.
