

## Webinar Title: “Enriching Productive Relationship Using Brain Communication”

- **Fee (Including GST):- Rs. 99/-**
- **Expert Speaker: Shri Parag Gadhia, Founder & Director of DEEP ABILITY CONSULTING®.**

### **About Webinar (Brief One para): -**

By identifying the fundamental patterns in the way our brain genetically processes the world around us, we overcome misunderstanding, conflict, and wastage of individual and group potential.

Awareness of these Brain Communication processes gives us the means to maximize our natural gifts and use them to develop software for our brain to achieve greater competence across many disciplines.

Post this workshop cum webinar your understanding and perception to look at the relationship will be very different, very positive.

It will strengthen the relationships with anybody with whom you want to strengthen relationship.

The purpose of this workshop is to understand oneself at a deeper level and unleash greater potential in oneself and be a great team player and team leader in professional and personal front.

**IT's not motivational workshop, IT IS RESEARCH BASED....**

### **Webinar Coverage:-**

- How your brain gets in the way of establishing productive relationships
- Understanding the “Reaction” and its effects on cooperative relationships
- Assessing your own Encoded assumptions

- Understanding and self-analysing The COLORED BRAIN Communication model for better listening, support, collaboration, and success.
- The power of COLORED TEAMS – applying colors to effect clarity and better outcomes within organizational teams
