“Public Financial Management System”

About Webinar

Public Financial Management System (PFMS) is a financial management platform developed by the office of the Controller General of Accounts, Ministry of Finance in collaboration with the Planning Commission. PFMS leverages a unique interface with the Core Banking System (CBS) of banks, to provide real-time reporting of banking transactions. All financial data captured by the system can therefore be reconciled with system authenticated transactions.

PFMS is now a must requirement for every Organization who runs any kind of Government Project and its scope and coverage are increasing.

The purpose of the workshop is to provide the training on how to operate PFMS Portal. As the system has the potential to provide end-to-end, real-time financial reporting based on system authenticated transactions for all projects sanctioned under several schemes of Government of India (GOI).

Objectives: Different Aspects of PFMS system will be discussed in an interactive environment wherein the participants will be made to learn both lectures driven session and a practical session with a demo portal of PFMS and after the workshop participants will get Participation Certificate.
