■ About NPC

National Productivity Council (NPC) is an autonomous organization under the Department of Promotion of Industry and Internal Trade, Ministry of Commerce & Industry, Government of India. The present expertise available in NPC has a resource base of professionals from fields such as Economics, Industrial Engineering, Human Resource Management, Energy, Environment, IT, Project Monitoring and Evaluation, Research Studies and Baseline Surveys. In addition, services of external professionals and subject matter specialists are also sought on need basis, depending upon the nature and scope of work.

NPC extends its services to various organisations from its headquarters and through 12 regional offices across the country manned by more than 100 full time professionals. The clientele base of NPC extends from Government, PSU, Private organisations as well as organisations of international repute.

NPC has professionals from diverse fields to provide Consultancy, Capacity Building and Project Monitoring Unit (PMU) services to various organisations including Central Government Ministries and State Governments.

OUR COMPETENCIES

CAPACITY BUILDING INITIATIVES OF NPC

NPC since its inception is leading the productivity movement in the country by extending its specialized consultancy and training services to various stakeholders in areas crucial to industrial and economic growth with an objective to enhance profitability and competitiveness.

NPC has also played a pivotal role over the past 66 years in capacity building of various stakeholders (Govt PSU PVT) in order to achieve the productivity mandate. The training programmes of NPC are primarily focused on developing human resource: people who can act as catalysts for the productivity movement of Indian economy across various domains.

"Enhance your skills, get better."

The Training calendar of NPC for the Financial Year 2026-27 is compilation of self run training programmes at various locations across various subjects.

NPC also conducts focused designed training programmes as per special and customized requirements of client organisations.
